

Australian Privacy & Biosecurity Acts. Document made by Just the Messenger

Important: Print this document out, **carry multiple copies on your person**, when asked to scan, **ask them to scan instead**. Leave the document behind. Share to your friends across Australia via this link :

<https://qrco.de/Aus-your-rights>. **Follow me on Telegram** <https://t.me/justthemessenger>

Follow or connect with me personally on Facebook: www.facebook.com/innovatewell (I'm working on a project that will need collaborators – PM me).

Please scan, so you know your rights and the rights of your customers, friends, family etc.

Importantly, regarding these Acts, Federal Govt Law ALWAYS overrides state law.

This code will take you to the Australian Privacy Act 1988 Sect 94H. It will tell you the following.

- No one can require you to use the Covid Safe app.
- No one can require to sign into a café or restaurant, pub etc using the Covid safe app.
- You cannot be refused entry to a business open to the public due to not having Covid safe installed on your device.
- You cannot be fired from your work for not using the Covid safe app.
- **Breaches of this Act are punishable with 5 years imprisonment, or \$63,000 fine (300 penalty units).**
- Or go to: <https://qrco.de/privacyact>

The Australian Biosecurity Act Sect 60.

No person other than a human biosecurity officer under the authority of a biosecurity control order, can force you to submit to biosecurity measures, such as:

- Forced vaccination,
- Coerced or forced RT PCR tests.
- Quarantine, including social distancing, mask wearing.
- Or go to: <https://qrco.de/Sect60Biosec>

This code will take you to the Australian Biosecurity Act Sect 61. It will tell the very strict conditions under which a biosecurity control order may be issued.

Including the following.

- The grounds under which it can be issued and by whom.
- The listed human disease.
- The symptoms (you must be symptomatic)
- The history of your contact with infected people, and more
- All enforcements have rights of review.
- Or go to: <https://qrco.de/Sec61biosec>

This code will take you to this document online – if you're holding a paper copy of this document, scanning this code will direct you to a Pdf version, that you can then forward to your network by social media, or email. If you cant scan this or any other QR codes, then you can alternately, go to: <http://qrco.de/Aus-your-rights>
